

The Society

thanks you!

Generous people leading the way

Dear Friend,

On behalf of the South Atlantic Division staff and volunteers of the American Cancer Society, I graciously thank you for your continued contributions. Your most recent gift of \$2,500.00 through Relay For Life® makes you a member of *The Society*, an elite group of the American Cancer Society's most dedicated supporters.

Together, we are saving lives and creating a world with more birthdays - where cancer never steals another year from anyone's life. Every day, we're helping people stay well with prevention and early detection information, helping people get well by guiding them through every step of the cancer experience, finding cures and better treatments by funding and conducting research, and fighting back by working with lawmakers to pass laws to defeat cancer.

To learn how we're saving lives from cancer, how you can get involved, or how we can help you, call 1-800-227-2345 or visit cancer.org anytime, day or night. Thank you again for your ongoing commitment to saving lives.

Honor Your Loved Ones

Most of us know someone who has had cancer, or perhaps you have battled this disease yourself.

Story by story, person by person, the American Cancer Society Mosaic is capturing **your courage** – and the courage of your loved ones – to join with a larger "mosaic" of hope for a world in which cancer no longer threatens those we love.

When Fe's mom was diagnosed with colon cancer, Fe created a Mosaic page to honor her spirit. Fe writes,

"It is almost unfathomable that such love, bravery, and vigor for life can be contained in any human being, let alone such a petite woman."

Fe's Mosaic page has raised more than \$1,200 to fight cancer – and allowed friends to **celebrate** her mom and share how much she means to them.

To honor the cancer fighter in your life, visit cancer.org/mosaic to create your page today. It takes just a few moments to set up your page, but the memories and tributes are timeless.

Fly Someone to a World with More Birthdays

Looking for ways to help fight back against cancer? You can help people facing cancer get well by donating your unused air miles to the American Cancer Society through our air miles program. Frequent flyers on Delta Air Lines or United Airlines can donate miles to the Society for cancer patients and their caregivers to travel to and from cancer-related treatment. This lifesaving program helps patients focus on getting well, not travel expenses. For more details, call your American Cancer Society at 1-800-227-2345 or visit cancer.org.

We're in your corner around the clock. For cancer information, call us at 1.800.227.2345 or visit cancer.org.
